

March 2025

**Our Mission:**

Mental Health America of Putnam County is dedicated to promoting community-wide mental health and wellness and improving the quality of life of residents impacted by mental health concerns.

We do this through advocacy, education, collaboration, support services and prevention activities.

Erin Flick  
*Treasurer*

Jai Miranda  
Joanna Muncie  
Josh Stewart  
Elizabeth Wampler

**Call for Nominations:**  
**2025 Putnam County Person of the Year**

We are fortunate to have so many concerned people make an impact in our or other people’s mental health, and especially with the pandemic, and all the challenges that brings. Each year we celebrate May as Mental Health Awareness Month and in that spirit, MHAoPC is accepting community nominations for the Person of the Year Award, recognizing the tremendous work a community member has done regarding mental health. We want this award to be about the person who goes above and beyond. It can be one who shared mental resources in the community, coordinated organized events or workshops regarding mental health, had a great impact on you personally, or helped a student out who was struggling... These are just some ideas, but we’re sure you have more stories.

We need your help, though. Please share this information, and nominate the person that you believe had to make an impactful contribution in the area of mental health in the past year. The nomination form on the next page can be filled out, or you can include that information with your submission using your own format. Nominations are accepted by emailing to the Executive Director, Karen Martoglio, at [director@mhaopc.org](mailto:director@mhaopc.org), mail this form to MHAoPC at 10 1/2 North Jackson Street, Greencastle IN, 46135, or text to 765-246-1003. Submission deadline is noon, April 25<sup>th</sup>, 2025. Both the winners of the awards and the nominators will join our annual meeting in May (details forthcoming). If your nominee is selected, we traditionally have enlisted the help of our nominators to ensure your nominee’s attendance at our annual meeting where/when they’ll receive their recognitions, but generally it is a surprise to the recipient. Please let us know if a different kind of recognition is needed.

Then come join our celebration! May is Mental Health Awareness Month, and we will be holding our Annual Meeting that month where we reflect upon our year and thank those who have made a difference including announcing this Person-of-the-Year winner in Putnam County, typically held on a Monday before Memorial Day. Our details will be coming for this special event.

Thank you for your nomination and help in recognizing our community’s treasures!
